

The W Series of NTEP-approved washdown platform scales combines superior durability and performance with legal-for-trade precision. The rugged, easy-to-clean grade 304 stainless steel base and its connectors on the bottom have been rated IP68 for advanced protection against harsh industrial conditions. Pair the platform with any Adam Equipment weighing indicator for optimum weighing results. The W Series also offers overload protection to prevent damage to internal components, as well as a level indicator and adjustable feet for proper setup.

High performance washdown protection for the most demanding environments

Features

- Rugged stainless steel construction for ultimate durability
- IP68-rated for protection against water and dust
- Can be used with any Adam indicators
- Large, grade 304 stainless steel pan allows easy cleaning
- Overload protection helps prevent damage to internal components
- Level indicator and adjustable feet ensure proper balance setup for optimum weighing results

Applications

- Weighing

About ADAM:

For the past 50 years, professionals worldwide have relied on Adam Equipment for an extensive selection of dependable and affordable weighing equipment. Adam provides the right balance of speed, performance and value.

Capacity	15lb / 6kg	30lb / 15kg	60lb / 30kg		150lb / 60kg		300lb / 150kg		600lb / 300kg
Readability	0.002lb / 1g	0.005lb / 2g	0.01lb / 5g		0.02lb / 10g		0.05lb / 20g		0.1lb / 50g
Pan Size	9.8x9.8" / 250x250mm			11.8x15.7" / 300x400mm		15.7x19.5" / 400x500mm		17.5x23.5" / 450x600mm	
Weighing Units	Selective								
Calibration	External								
Display	Selective								
Operating Temp.	-10° to 40°C								
Housing	Stainless steel								
Overall Dim.	11.8x24x7.5" / 300x610x190mm			14.2x29.1x7.9" / 360x740x200mm		19.7x34.6x7.9" / 500x880x200mm		19.7x34.6x10.2" / 500x880x260mm	
Net Weight	11lb / 5kg			19.8lb / 9kg		26.4lb / 12kg		41.9lb / 19kg	

Accessories

Item NumberDescription

- 3014011014..... RS-232 cable M-F
- 3074010507..... RS-232 to USB adapter

Compatible Indicators

AE 403 Indicator

The multi-function AE 403 indicator can be combined with weighing platforms to handle demanding industrial tasks. It performs well on the loading dock, at food processing plants, in agricultural settings, or in shipping and receiving areas.

AE 503 Label-Printing Indicator

Strong ABS construction and an integrated label printer enhance functionality for the AE 503 label printing indicator. Using the built-in printer, add barcodes, QR codes, pictures and custom logos to the 50mm-wide printed labels.

AE 504 Advanced Label-Printing Indicator

A sturdy, lightweight design with a sealed keypad, an internal rechargeable battery and the convenience of a built-in printer make the AE 504 counting indicator a great choice for demanding industrial settings and shipping and receiving areas.

GK Indicator

Packed with smart features, the affordable GKa indicator provides a simple user interface, resulting in speedy operation and quick results. The built-in checkweighing function allows users to easily view if samples are above, below or at set targets.

GC Counting Indicator

With a wide range of features, the GC counting indicator is ideal for parts counting tasks. Its numeric keypad facilitates unit weight and sample entry, while the display shows unit weight, total weight and number of pieces.
